

GRADUATE PROGRAMS

New Jersey City University offers a wide variety of graduate degree programs through the William J. Maxwell College Arts and Sciences, the Deborah Cannon Partridge Wolfe College of Education, the College of Professional Studies, and the School of Business. In addition, interdisciplinary study and special certification programs are provided within each school.

Program descriptions, which appear later in this catalog, provide students with the general scope of study in each area.

The University offers graduate degree programs in liberal arts, education, and professional fields such as accounting, finance, management, marketing, criminal justice, health sciences, nursing and professional security studies.
