

MID-SEMESTER PROGRESS REPORT

Mid-semester progress reports are sent to students during the Fall and Spring semesters solely for the purpose of notifying students of their academic progress to date. Mid-semester progress reports are not official academic records of the University, and are not made available to anyone other than the students to whom they are addressed. A passing or failing progress report does not guarantee a similar grade in a course. However, an unsatisfactory progress report should be taken as a warning that the student is in jeopardy of failing the course.
