

SECOND MAJOR AFTER GRADUATION

A graduate of New Jersey City University or another higher education institution accredited by an American accrediting agency may register for additional undergraduate study to pursue an additional, approved undergraduate major. The student must be formally admitted to the University and approved for the major by the Academic Advisement Office and the respective department. The requirements for completion of each major are specified by the individual departments, and the student must maintain a minimum cumulative grade point average (CGPA) of 2.0.

Satisfactory completion of the additional major is noted on the student's permanent record, based on endorsement by the major department.
