

UNDERGRADUATE SECOND DEGREE POLICY

INTRODUCTION AND STATEMENT OF PURPOSE

This policy outlines university guidelines as they relate to an undergraduate second degree.

POLICY

At the February 6th Senate meeting the Academic Standards Committee of the University Senate (ASC) gave its recommendations for second degree policy due to the **reduction of Minimum required graduation credits to 120** credits from 128 credits:

After reviewing the policies of the different colleges/universities, the committee found no consistent criteria in determining required number of credits for the second degree. Therefore, the committee recommends that for NJCU, the Second Degree Requirements be reduced, on a ratio basis approach (i.e. from $128:32=4$; $120/4=30$ for a NJCU first degree graduate and $128:36=3.56$; $120/3.56=34$ credit for a non-NJCU graduate). See below:

TYPE	RESULT	DATA
Minimum Graduate Requirement graduate)	= 4	32 (NJCU first degree
Minimum Second Degree Requirement Ratio	Current Policy 128 divide	
Current Policy graduate)	= 3.56	36 (non-NJCU degree
Recommended Policy graduate)	= 30	4 (NJCU first degree
Recommended Policy graduate)	= 34	3.56 (non-NJCU degree
