

HOSPITALITY MANAGEMENT, B.S.

The Bachelor in Science in Hospitality Management prepares students with the required skill sets and expertise to explore their interests in the vast career opportunities associated with the hospitality industry, and teaches students step-by-step how to creatively solve real-world problems in hospitality, apply a business model to their solutions, and then assess the feasibility of their proposed solutions.

Incoming students may transfer up to 50% of the School of Business courses required in the major, pending department evaluation for transfer equivalency. Once matriculated at NJCU, transfer students must complete at least 30 credits at NJCU to satisfy the university's residency requirement. Students must also maintain a GPA of 2.5 or better in courses taken in the School of Business. Students must earn a grade of C or higher in each School of Business course (ACCT, BUSI, ECON, FINC, MGMT, MKTG) used in fulfillment of a graduation requirement.
